Called to order: 9:00 am

President's Report - Brooke VanMiddlesworth

- Teacher Appreciation - We got the teachers pizza and salad from The Local.
- Yearbook - We sold 125 yearbooks so far. We contracted 260. Sales are kind of low so we need to push yearbook sales. March 11th is the deadline for ordering yearbooks. We will have a stack for parents to buy at the end of the year. Some parents might have been running into problems on the website when they tried to pay for yearbooks.
- March Reading Month - Mrs. Buckmaster has handled this in the past. She may need our help this year.
- Reading Club Update - Students receive a pizza coupon and a book for participating. Few students participated this month.
- Book Fair - Brooke is putting out a Sign Up Genius today to get parent volunteers. Parents can sign up for a morning or afternoon time. The fair runs February 28th through March 2nd.
- Mother's Day Flower Sale - Brooke is reaching out to local greenhouses.
- Big Tommy's Fundraiser - In the spring (on a day in March or April) families can eat at Big Tommy's and we get a 10% cut of profits.
- Art to Remember - March 14th starts the Art to Remember fundraiser.
- Popcorn Friday - March 4th, 9am-2pm. Three volunteers will be needed.
- Soon we will need to talk about field day and start planning. There will be stations of different activities. We will do a t-shirt sale.
